Subject: **Extension in Abstract Submission Date – 17th International Congress of Soil Science, 13-15 March 2018**

Dear Sir/madam

As you are aware, the Society is organizing the 17th International Congress of Soil Science, March 13-15, 2018, in Faisalabad. Theme of the Congress is “*Soil: Ultimate Solution to Food Security and Climate Change*”.

On the repeated demands of members, the Executive Council has extended the abstract submission date till **January 15, 2018**.

All the colleagues are requested to submit their abstract before the closing date.
