## Background

The **Soil Science Society of Pakistan (SSSP)**, founded in **1958** and revived in **1984**, hosts the Soil Science Congress biennially. To date, SSSP has organized **20 International Congresses** nationwide. The Executive Council of the Soil Science Society of Pakistan has decided to organize the **21st International Congress of Soil Science (ICSS-2026)** at the **University of Poonch Rawalakot, Azad Kashmir, Pakistan**, on **May 5-7, 2025**, which represents a significant national milestone in advancing soil science in Pakistan, especially for the Azad Kashmir region.

The theme of ICSS-2026 “Soil Resilience for Sustainable Development” suits well with current changing environmental conditions. The congress emphasizes the urgent need to preserve and enhance soil health in the face of challenges such as land degradation, salinity, loss of organic matter, nutrient imbalance, and the worsening effects of climate change. Pakistan’s agriculture, which sustains the nation’s economy and livelihoods, faces growing threats from floods, droughts, and reduced soil productivity.

The **ICSS-2026** will bring together scientists, policymakers, educators, farmers, industry representatives, and civil society to exchange knowledge, foster collaboration, and develop actionable strategies for improving soil management. By promoting innovation and awareness, this congress aims to align national research and policy with global sustainability goals. Investing in soil resilience today means ensuring a food-secure, sustainable, and climate-resilient Pakistan for future generations.

## Call for Abstract

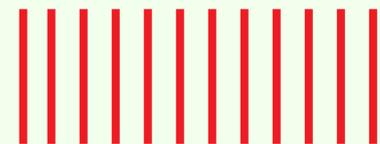

Abstract submission is now open for the following modes of presentation. For queries and further information, please contact:  
**Convener, Technical Committee,**  
**Dr. Muhammad Ashraf,** Email:  
ashraf.muhammad@uos.edu.pk,  
WhatsApp: +92 333 6873259

### Plenary & Keynote Sessions

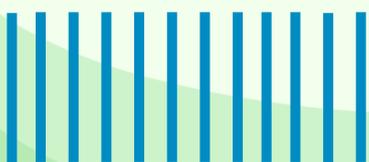

Renowned scientists will deliver four to five plenary papers and a keynote address, highlighting key challenges and innovations in soil and environmental sciences aligned with the Congress theme

### Voluntary Papers

Researchers are invited to submit abstracts for oral and poster presentations. Multiple submissions as co-authors are welcome; however, each participant may present only one paper as an oral or poster presenter.

## Scientific Sessions & Presentations

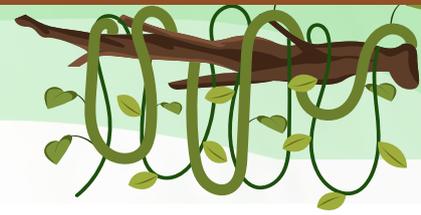

### Oral & Poster Presentations

The Technical Committee will announce presentation durations in advance. Poster format and size guidelines are available at <https://sss-pakistan.org/icss>. Posters should be clear, well-structured, and readable from a distance of 1.5 meters.

### Online Presentations

A limited number of online sessions will be organized for international invited speakers who cannot attend in person. Approval for virtual participation will be granted by the Organizing Committee

# ABOUT VENUE

## UNIVERSITY OF POONCH, RAWALAKOT

*Established 2012*

The University of Poonch, Rawalakot (UPR) is a leading public sector university in Azad Jammu and Kashmir, dedicated to higher education, research, and community development. It is situated in Rawalakot District Poonch. The University was established in 2012. It offers a wide range of undergraduate, graduate, and doctoral programs through various faculties including Agriculture, Basic and Applied Sciences, Veterinary and Animal Sciences, Medical and Health Sciences, Management, Humanities and Social Sciences and Engineering. The University hosts departments such as Horticulture, Plant Pathology, Agronomy, Soil and Environmental Sciences, Computer Science, Pharmacy, English, Economics, and Psychology, among others. Professional degree programs like Pharm-D, DVM, Electrical Engineering and Bachelor of Eastern Medicine and Surgery (BEMS) are also offered. With a diverse student body and qualified faculty, UPR emphasizes practical learning, innovation, and research. The University operates research farms and laboratories that support scientific investigation, particularly in agriculture and environmental sciences. Through its broad academic portfolio and research activities, UPR plays a vital role in the educational and socio-economic development of the region.

## *Attractions*

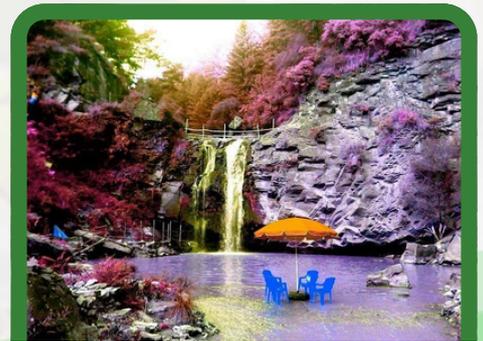

*Discover the enchanting beauty of Rawalakot, the Pearl Valley of Azad Kashmir. Experience nature at its finest as you explore breathtaking destinations such as Banjosa Lake, Toli Pir, and Nergola waterfall.*

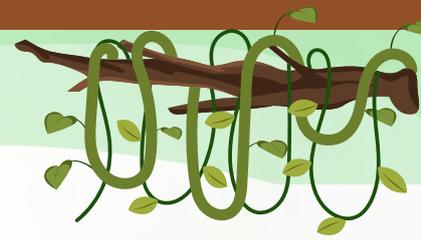

**TOLI PIR**

**BANJOSA LAKE**

**NERGOLA WATERFALL**

## Travel Guide

**Rawalakot**, known as the “**Pearl Valley**,” is about 110 kilometres from Rawalpindi/Islamabad and can be reached in around 3 to 3.5 hours through the scenic Azad Pattan/Kahuta route. Participants travelling to the conference may begin their journey from their respective cities to Islamabad. From Islamabad, they can proceed to major transport terminals such as Faizabad Bus Terminal, Pir Wadhai Bus Stand, or Soan Adda in Rawalpindi, where regular public transport and private coach services to Rawalakot are available. Organizing Committee ICSS-2026 intend to facilitate participants by providing Pick up from a central place in Rawalpindi/Islamabad to the Congress Venue and a Drop back after the congress for a limited number of participants. Such provision, however, will be notified in due course of time. The weather in May is generally mild to pleasantly cool, so light woollen clothing or a jacket is recommended, particularly for the evenings. Comfortable shoes are advisable due to the hilly surroundings. Boarding and lodging for conference participants will be available in pre-circulated guest houses and hotels in and around Rawalakot, ensuring comfort and convenience. With its natural beauty, welcoming climate, and warm hospitality, Rawalakot promises both an enriching and refreshing conference experience.

For any query and pick and drop from main bus stop please contact:

For information, please contact Convener Post Congress Tour Committee.

## *Foreign Participants*

We strongly recommend that foreign participants reach out to the ICSS-2026 organizers well in advance to facilitate the necessary

arrangements, including travel, visa applications, transportation, boarding, lodging, and any other essential aspects of their ICSS experience. Our team is here to assist and ensure your smooth participation, so please do not hesitate to contact us for any support or guidance you may require. Transport from Islamabad International Airport can be arranged to University of

Poonch Rawalakot, Azad Kashmir. Every foreign participant should make arrangement for receiving Pakistani visa by contacting the Pakistani Embassies and consulates located in their home countries. However, Congress organizers would provide formal invitation letter after their confirmation and abstract submission. **In this regard, please contact Congress Secretary, Dr. Ifra Saleem.** The invitation from the Society is meant to facilitate the grant of visa and does not imply to bear the responsibility of sponsoring the trip to Pakistan.

## *Awards*

To acknowledge services to SSSP, celebrate excellence and inspire future innovation in soil science, and encourage students, the following awards will be presented during the ICSS-2026 (For detail, please follow link: <https://sss-pakistan.org/>).

### 1 Call for Research Proposals

Environmental Friendly Fertilizers and Microbial interventions

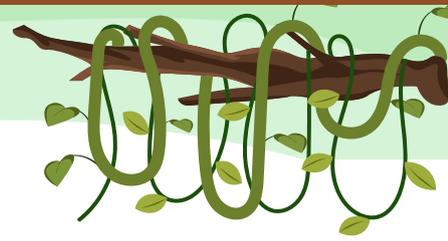

- **Late Dr. Muhammad Arshad (T I) Award**
- **Dr. Fauzia Yusuf Award**

### 2 Society Awards

Fellow award, Services to Soil Science Society of Pakistan, etc.

### 3 Gold Medal Awards

The awards will be presented to outstanding graduates (2024–2025) in the field of Soil and Environmental Sciences from each province, including AJK.
